Christian Brothers Automotive Opens New Location in Tega Cay

Fort Mill, SC – (July 25, 2014) – Christian Brothers Automotive, the automotive repair shop creating a positive “culture shock” in town with its commitment to honesty and integrity, opened a new location this week situated at 3673 Vandora Springs Road in Fort Mill, South Carolina.

Located at HWY 160 and Vandora Springs Road next door to Aldi's and across the street from Brewster's Ice Cream, the nearly 5,000 square-foot location includes nine service bays, as well as an upscale lobby with a home-charm décor that features leather couches, decorative lighting, artwork and hardwood floors. Christian Brothers also offers a new courtesy shuttle vehicle to transport you to and from work or home while your vehicle is being serviced. Waiting customers can enjoy free Wi-Fi, coffee and bottled water in the quiet lobby.

” I am very excited to serve the Tega Cay/Fort Mill, SC community,” said Steve Tiller, who co-owns the new shop with his wife Joni. “When you read about the mission and history of Christian Brothers Automotive, you’ll notice words and phrases like honesty, integrity, and quality service. These aren’t just gratuitous words and phrases that sound good or that we use to market our brand. They’re abiding principles that we believe in and implement every day with every customer.”

Christian Brothers Automotive provides full-service automotive diagnostic testing and evaluation, maintenance programs and repair work for all domestic and foreign vehicles at each of their locations. All Christian Brothers Automotive facilities are staffed with automotive service excellence (ASE) certified technicians.

Steve retired from the Army in July after a 28 year career. The Tillers have two children, Aaron, 22 years old and Mackenzie, 19 years old. Aaron is in the Army and is stationed at Fort Bragg, NC. Mackenzie will be a sophomore at Liberty University in Lynchburg, VA this Fall. Steve and Joni currently reside in Waxhaw, NC but intend to move into the Fort Mill/Tega Cay area within a year or so.
