Christian Brothers Automotive Opens New Location in Westfield

Westfield, IN – (December 4, 2013) – Christian Brothers Automotive, the complete automotive repair shop creating a “nice difference” in town with its commitment to honesty and integrity, opened a new location this week situated at 14807 N Gray Road in Westfield, Indiana.

Located just north of Walgreens at 146th and Gray Road, the nearly 5,000 square-foot location includes nine service bays, as well as an upscale lobby with a home-charm décor that features leather couches, decorative lighting, artwork and hardwood floors. Christian Brothers Automotive also provides guests with a Courtesy Shuttle both to and from work and home while their car is being serviced. In addition, customers who wish to wait in-shop for their vehicle can enjoy free Wi-Fi in the comfortable lobby.

“We are excited about bringing superior quality service and convenience to our community,” said Russ Miller, who co-owns the shop with his wife Debbie. “Our goal is to provide not only great service but car knowledge in a friendly and simplified manner. We also look forward to building long lasting relationships built upon trust and integrity with our customers.”

Christian Brothers Automotive provides full-service automotive diagnostic testing and evaluation, maintenance programs and repair work for all domestic and foreign vehicles at each of their locations. All Christian Brothers Automotive facilities are staffed with automotive service excellence (ASE) certified technicians.

Russ and Debbie have always desired to open their own business. The combination of Russ’s 26 years in the automotive service industry coupled with Christian Brothers Automotive’s commitment to ethics and honesty in business was a fantastic opportunity to fulfill this lifelong dream. “We feel very blessed to have the opportunity to work directly with each customer to care for their family and their family’s cars,” said Russ.
