

BG FUEL/AIR INDUCTION SERVICE \$189.95

Using specialized equipment, our technicians will quickly and effectively clean intake manifold, intake valves and combustion chamber. This service will restore lost power and performance and will reduce harmful exhaust emissions.

BG FUEL INJECTION/THROTTLE BODY SERVICE \$189.95

This service connects directly to the fuel rail to thoroughly clean injectors, pistons, and combustion chambers. This service will restore lost power and performance and will reduce harmful exhaust emissions.

BG COOLING SYSTEM SERVICE \$169.95

Back flush cooling system, radiator block, heater core, hoses, etc. Pressure test, check hoses, cap & connections. Install BG Cooling System Corrosion Control Kit.

BG AUTOMATIC TRANSMISSION FLUID EXCHANGE \$299.95

Using state-of-the-art equipment, we install a cleaner that dissolves and suspends deposits. Old fluid is removed and replaced with premium automatic transmission fluid, which is then fortified with seal conditioners, oxidation inhibitors, and shift improvers.

BG FRIGI-FRESH ANTI-MICROBIAL \$14.95

Quickly kills mold, mildew, fungi and other odor producing organisms that grow throughout your AC's ventilation system.

BG DIFFERENTIAL SERVICE \$149.95

Remove and replace old worn-out fluid from manual transmissions, front and rear differentials, trans-axles, and transfer cases. Install gear oil or the additive package required for vehicle application.

BG OIL FORTIFIER \$19.95

Oil additive designed to keep piston rings from sticking, stabilize oil viscosity, prevent sludge and varnish, reduce wear and prevent excessive oil consumption.

BG OIL CRANKCASE CLEANING SERVICE \$39.95

Using modern advancements in chemistry, this service removes deposits from valves and combustion chambers, dissolves sludge and varnish, cleans stubborn oil deposits and restores engine balance and power.

BG POWER STEERING FLUID EXCHANGE \$159.95

Our technicians use a powerful cleaner to dissolve gum and varnish in your car's power steering unit. We will exchange old, worn-out, contaminated fluid and install fresh new fluid fortified with special antioxidant and anti-wear ingredients to prevent expensive mechanical failure.

BG BRAKE FLUID EXCHANGE SERVICE \$139.95

Exchange out all worn-out, oxidized and contaminated brake fluid. Remove moisture, condensation, and air from the brake system. Install DOT 4 high-temperature brake fluid. Also install anti-corrosion pads to prevent future deposit formulation.

**Lifetime
BG Protection Plan®**

*Each service comes with
component coverage up to*

\$4,000

up to 15,000 mile (25,000 km) service interval:

Fuel/Air Induction Service

up to 30,000 mile (50,000 km) service interval:

Transmission Service

Cooling System Service

Power Steering Service

Drive Line Service

Brake Service

100% coverage:

First BG service before 50,000 miles (80,000 km)

50% coverage:

First BG service between 50,001 miles (80,001 km)
and 100,000 miles (160,000 km)
